The Sarico LED Exhaust fan is a classic design that will complement any home. With its simple, subtle design and efficient motor, this exhaust fan will effortlessly ventilate your room. The Sarico is available with two different airflow capacities to remove steam and odour.

- High performance ball bearing motor
- Efficient extraction to remove moisture and steam
- Energy efficient LED light source to brighten any room
- Removable cover for easy cleaning
- 100mm and 150mm duct adaptor with draft stopper included in box
- Easily change LED color temperature from switch on panel
- IP44 rated suitable to be installed above shower
- Separate cable for light and fan to be control individually

APPLICATIONS

- For bathrooms, laundry, kitchen to other spaces that require ventilation to the outside.
- For small to medium and large sized rooms.

LED COLOUR TEMPERATURE CHANGING
