3 LIGHT PENDANT

240V	3x28W max		
------	--------------	---	---

This refined industrial 3 light pendant exercises restraint with its clean lines, satin finishes and demure details. Creating a stunningly simple silhouette. This pendant is a utilitarian interpretation of farm structures. The slim line steel base, minimalist wire suspension and metalware simplify the industrial form. Coordinating table and floor lamps available.

### 12-Month Warranty
